

Camel Brand is a leading food company, based in Malta. We manufacture, package, distribute, market and sell a wide range of Mediterranean Delicatessen. Our range includes: dips, sauces, cheeses, marinated and sweet food products.

For decades thousands of consumers have turned to our well known products and in order to continue meeting the ever increasing demand, the need for a larger premises and manufacturing plant was felt. In 2019 the company invested in a 3 floor, 7,500 square metres state of the art facility, centrally located at Handaq and the directors made sure that it is adorned with the latest technology, machinery and equipment .

The premises include office spaces, meeting rooms, dedicated dry and chill warehouses, individual food production rooms, storage facilities and parking spaces. We strive to meet the highest of standards in our production and to provide a safe and clean working environment for our work force.

Through this high investment programme in technology and personnel Camel Brand are on the forefront to guarantee to the consumer the highest hygiene standards and freshness of their products.

Regular inspections ensure that the production plant, warehousing and logistic handling are maintained at the highest standards to meet stringent regulations in line with E.U. guidance.

The Philosophy embraced by the company ensures that all our products will reach the highest standard of quality and freshness exceeding our customers' expectations.
